

Help COH by Paying Your Electric Bill

Community of Hope will receive \$5.00 each month as you pay your electric bill.

Stream Energy is an authorized residential electric provider and licensed by the Public Utility commission PUC# 10104.

Several residential options are available including Green electricity options.

Changing electric providers is easy and may be done online.

We will analyze your bill to make sure you will at least pay what you are paying now. In many cases, you will actually save money.

It won't cost you a thing unless you are under contract with another provider. We will suggest you wait until your contract is up because most providers charge a penalty.

Electric Sign-ups will start on Sunday February 1st in between the 9:30 and 11:00 services.

We will assist you in signing up!

What you need to do!

Have your current electric bill with you or a readable copy

Go to the Church Fund raising website (we can assist you) - www.communityofhope.streampowerup.biz.

Follow the instructions on the website

Read the Documentation provided

Confirm through a quality control call that you want to switch electric service

It really is that easy!
